**UNSURPASSED SERVICE - WITH A SMILE!**

At Gabriele's we like to think of ourselves as being a little bit different from the rest. Prompt, professional service is our goal, but with a sense of humour too. We like to keep the pun in philately! Some key features of our service include:

**New Sale Lists every few weeks** - every couple of weeks we produce a direct sale list full of our latest purchases of Australian, British Commonwealth and world stamps and collections. Join our email or postal mailing list today - it's free!

**Best out first** - if we have more than one example of a particular stamp, we always send you the best of the lot. First time, every time!

**Confidential service** - your privacy is assured at all times. We do not disclose the identity of any of our customers to anyone, and all personal details are stored securely. We will never offer our mailing list to any third party.

**Lay-bys available** - we may be able to offer lay-by terms on a case-by-case basis. Contact us for further details.

**Want lists welcome** - if you are seeking lots of rare and not-so-rare stamps, please send us your want lists. We are constantly buying new stock, and can offer material direct if we know what you want.

**Expertisation available** - we can obtain certificates of authenticity from Australia's leading experts for a wide range of stamps. Contact us for more details.

**We are always buying** - anything philatelic: stamps, envelopes, postcards, albums, etc. from any country in the world. And when we say anything, we mean **anything!** Now matter how rare or junky you think your collection is, we are happy to quote!

Our friendly staff are always willing to help, and of course you can visit our office in Circular Quay for a coffee and a chat too. Try our service today!
