

AUSTRALIAN STATES PRICELIST

The simplified numbering system used in Seven Sea's Australasian Stamp Catalogue (ASC) is the basis for all prices listed below. Note also that while we try to have a reasonable stock on hand, particular stamps may be out of stock from time to time. Please check availability before ordering.

About "Average Used": these may have small thins, short perfs or a revenue cancel, but are still quite acceptable given their age and usage at the time. And very affordable!
