

AUSTRALIAN STATES PRICELIST

This section provides prices for stamps issued before 1901, when the Commonwealth of Australia came into being. Note: The simplified numbering system used in Seven Sea's Australasian Stamp Catalogue (ASC) is the basis for all prices listed below. Specialised stamps such as watermark and perforation varieties, as listed in Stanley Gibbons, may be available - ask us for more details. Note also that while we try to have a reasonable stock on hand, particular stamps may be out of stock from time to time. Please check availability before ordering.
