**16. FRANCE** A Collection housed in Davo illustrated album covering the period 1848-1978, mixture of mint and used stamps. A bit of toning on some of the early pages. This collection would most certainly reward a collector with patience and a limited budget who want the early rarer items included which might need a bit of a clean up. I noted Used early SG 37 and 45 used, SG 131 5f used a bit thinned and toned but Cat. Value is £1300, a very comprehensive collection after 1900 either mint or used, SG 374 mint £225, SG 378 Mint £160, SG 586-7 mint £220, nice selection of Airmail issues

Plus a nice cover with used B1-16 on full cover addressed to Australia, B54-60 mixed mint and used, Cat. £900, B61-63 mint £400, B68-70 mint £425, 1951 Bell sets complete mint and later set used, B91-100 mint £170, the later period is a mixture of mostly odd used issues no allowance made.
