There are hundreds of other stamps included many with varieties which would benefit from time spent working on them. If you bought these better stamps selling for more than \$10 each (so anything less than that is simply free) it would cost you more than \$1,100++ so at this price, you can keep the bridge and sell the rest on ebay....**\$499.00**

So great KGV, some excellent Roos. In fact if you bought the stamps included in this collection at my discounted retail prices based on the condition which my list clearly itemises at greatly discounted prices if not absolutely perfect, you would spend in excess of **\$7,000+** just for stamps which are over \$10 each, so 85% of the collection is pretty much free.
