There are hundreds of sets and miniature sheets for the period way too many to list and I estimate from 1950-1994 the collection is approximately 90% complete. While the catalogue of the £10+ items is just over £1,050 (\$1700+ AU) so many hundreds of sets do not appear in that figure so basically they are free, the lot nice price if.....**\$289.00**
