

ON SALE NOW 278 - MEMORY LANE- AMPOL!

When I about 10 years old and had a red pushbike, I used to visit the Ampol service station near my home regularly and beg for more stamp packets from the owner... The last time I visited he flung open the stamp drawer and threw all the packets across the counter at me—now &#%!@?! (euphemism) and don't come back! - they came free with a full tank of fuel! *Anyhow these packets came in a collection last week and I smiled—you might find some in your next mystery box!
