## COLLECTION AND OTHER AUSTRALIA

**14. AUSTRALIA 1913-1971** Housed on the old style illustrated Seven Seas coloured and embossed headers, in Royal Blue Springback album, using hinges and the odd mount for the expensive items. The collection is mostly fine used, this lovely clean collection mostly pre-decimal is about 95% complete for the period with loads and loads of extras. The Kangaroos and KGV are simplified so just one of each and I noted -10/- CofA Kangaroo, £1 Brown and Blue Third Wmk, fine used with minor blunt perforation bottom right. I down graded the price in the simple figures to average used. £1 CofA Grey fine used, £2 CofA graded at average used. 5/- Bridge commercially used, way scarcer than cto minute thin on reverse, 5/- BCOF Thick paper fine used the Japan cancel. A truly superb collection, only really missing the higher value Naviagators £1 and £2. There is a miniature sheet Kookaburra 1928 average mint which I put on the list at just \$50. There is easily \$2,500++ in well discounted priced stamps and it is truly a beautiful lot, clean rust free stamps and pages, clearly a well loved family collection, this is available.....**\$1,299.00**
