**40. CANADA** 1851-1998—Two very very full volumes in Stanley Gibbons illustrated albums for the period. The vast majority of the stamps are in clear mounts, a few of the very early fine used stamps are simply lightly hinged on the pages. There is more than £12,000 Cat. (almost \$25,000 Aust. dollars) in the first volume alone which goes up to 1985. The second volume is absolutely stuffed full of mostly mint and on many pages fine used as well as mint, miniature sheets, overprinted ones, booklets, varieties, reprints, full panes—too many things to list in fact probably more than \$1,000 Can. just in face value in this volume which has not been included in the Cat. work. All put together by one serious collector. Would benefit from re-organising so everything is more secure and spread out as both albums are so stuffed full of stamps. I noticed—Sg 6 fu £275, SG 42 fu, £2,000+ on one page containing QV 1868-1897 -SG-53-11 assorted fine used some duplicates and SG 56a mint Cat. £1,100, 1897 Jubilee issues to \$2 assorted mint and fine used this page comes to £2,875 on this page, \$1 SG

136 is mint £600, \$2 fine used £450, 1897-1902 page Q. Vict. is complete either mint or fine used Cat. 01631,100, 1908 Quebec set 7 of the 8 mint, 15c is used £550, 1897– 1985 is complete mint or fine used, includes loads of back of the book stamps—includes Registration and Special delivery stamps 1875-1933 Cat. is £750 for the page, Official stamps 0162-71 complete mint £275, there is a nice pile of early booklets some are marked as paid \$40 US each. \*This is a magnificent collection for someone to love and take over the work of the previous owner, clearly he did this with love and care. Based on what I paid for this collection and Cat just volume one \$25,000 the two volumes are a gift for (images are reduced) .....**\$ 2,499.00**

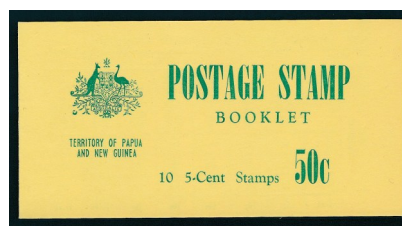

**41. KIRIBATI COLLECTION** 1979-2000 all stamps are MUH housed in quality Lindner Maroon loose leave album with clear strips on the expensive pages. It does appear to be fairly complete including stamp sets, Miniature sheets, sheetlets etc. and the scarce 1981 Officials complete O1-10 on some lists for \$175++. Basically this lovely collection could cost \$1,500++ from most dealers, my price for the lot is a mere.....**\$ 329.00**
